

342 Patricia Lane, Ste. 101
Fort Mill, SC 29708

Now Open

Sterling Properties Group congratulates Dr. Leah Luck on the opening of her state-of-the-art dental office location just off Hwy. 160 in Fort Mill, SC.

Introducing Dr. Leah Luck

Dr. Leah Luck grew up with a fascination for dentistry after her own fun dental checkups that ended with orange dreamsicle fluoride. Let's just say, those visits left a great taste in her mouth!

While pursuing her undergraduate degree at the University of Virginia, she worked for a local dentist and saw firsthand how this profession offered a unique blend of art, science and the opportunity to truly connect with people.

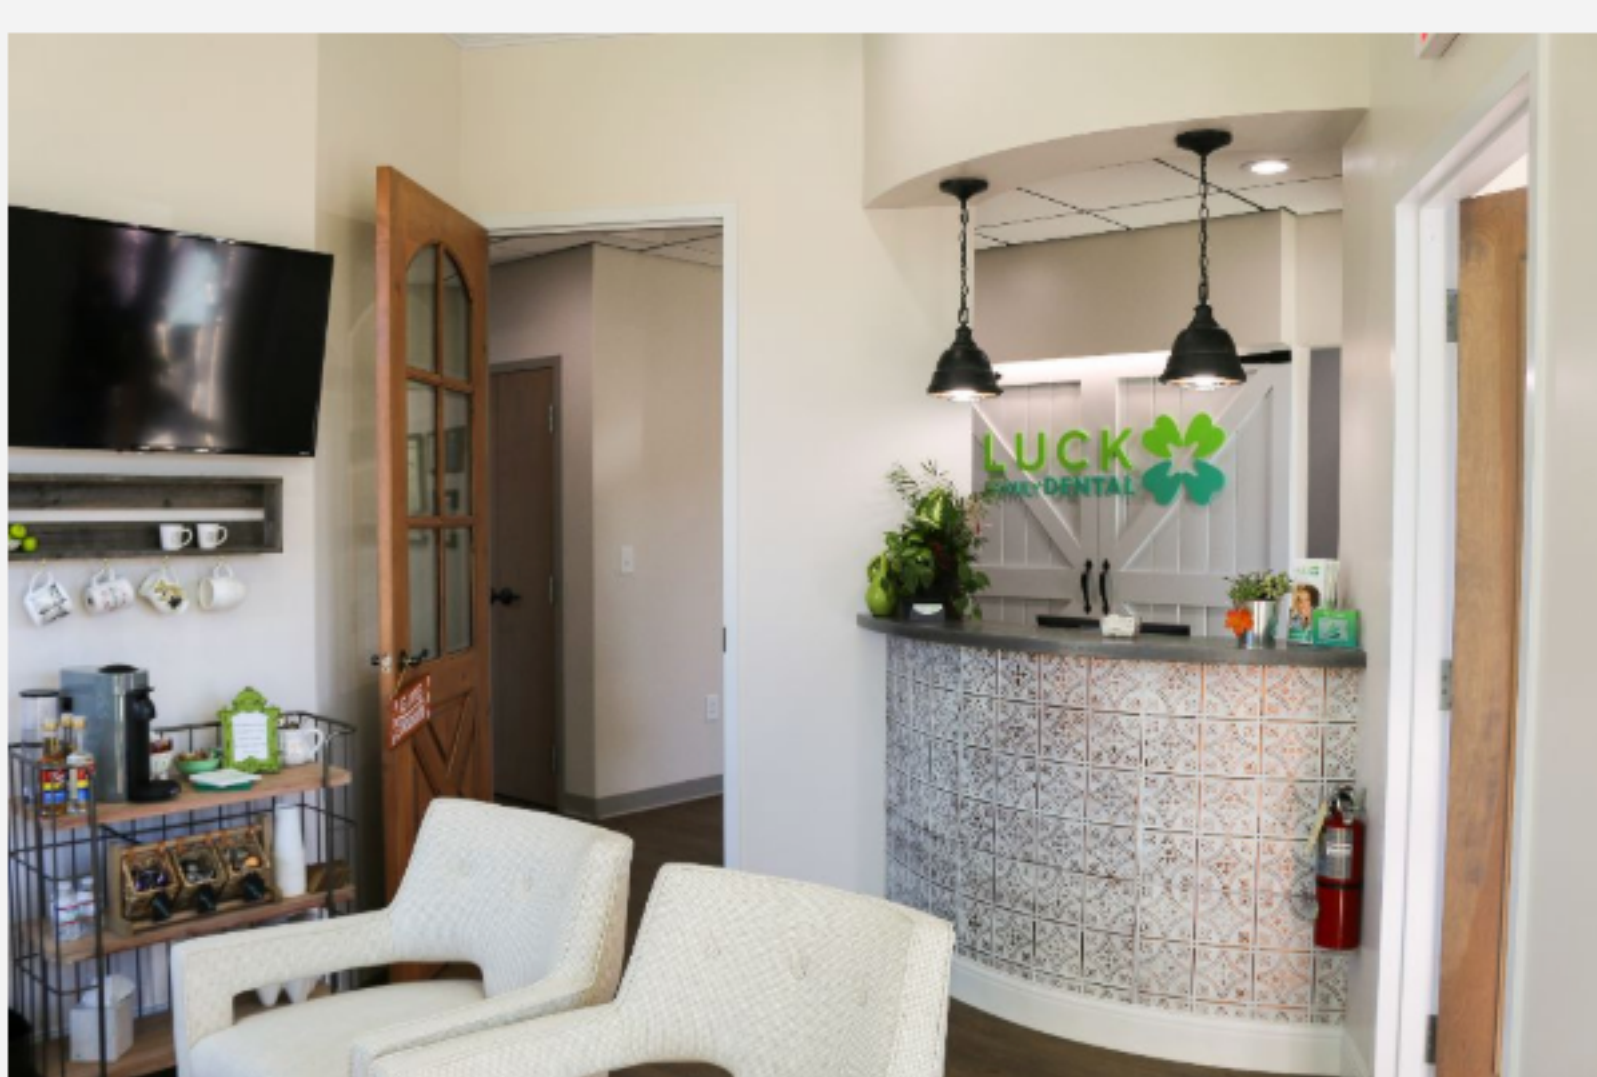

She earned her dental doctorate in 2009 at Howard University in Washington DC, where she made the Dean's List and was recognized for her excellence in restorative dentistry.

In 2015, she and her husband Andrew left DC and moved with their four children to Fort Mill, SC and now thrilled to be welcoming patients to her new practice, where they can expect a warm, relaxed, and friendly atmosphere that feels just like home.

"We enjoyed working with Matt. He brought a wealth of experience with dental practices and was able to identify an ideal location for our new office. He helped make the process smooth and comfortable for us and constantly checked on us along the way to tackle any loose ends that come with opening a brand-new office. We are thoroughly pleased with our results and would recommend SPG to anyone seeking space for dental or other businesses."

— Dr. Leah Luck
