Sterling Properties Group, Inc. is pleased to have assisted our long-time client, Splash-N-Dash Car Wash, in the site selection and acquisition of their new location at 5138 Carolina Beach Road, Wilmington, North Carolina (Monkey Junction Area)!

This site is in the southern part of Wilmington where Carolina Beach Road merges with S. College Road. In addition to phenomenal traffic counts, this site positions Splash N Dash in a major retail node (Monkey Junction) which features notable retailers such as Walmart Supercenter, Lowes Home Improvement, The Home Depot, and Lowe's Foods.

Residents of Wilmington now have the convenience of this second Splash-N-Dash car wash which joins their first successful location at 5044 Market Street.

"It's been a pleasure working with Splash-N-Dash over the last several years. From finding that first site on Market Street back in 2012 followed by Jacksonville and now this second Wilmington location in Monkey Junction—these guys have kept true to their aggressive business plans. That said, there's not much more rewarding than seeing the finished product get open for business. The cars lined up at the Grand Opening is just the first sign that the hard work by the entire team is finally going to pay off. The results are already impressive and I am excited about working on future sites with Splash-N-Dash!"
