Testimonial

“We enjoyed working with Matt on bringing Charleston Shoe Co. to Lumina Station in Wilmington. His diligence and attention to detail were very helpful as we reviewed all the options in that market. We are very excited about this location as it has the perfect fit and feel to represent our “Cobblestones to Cocktail” brand to locals and visitors to the area. We are confident this store will be successful and look forward to continuing working with Matt in securing more ideal locations for our stores in the future.”
